## **Background of involved parties and Need of MoU:**

S.T.E.S. & Co. Op. Edu. Soc. Ltd. is one of the renowned educational institutions (Linguistic Minority) in Nandurbar District established in 1946 under the leadership of visionary educationist Dr. Vishram Hari Patil. This educational institution provides education from KG to PG. By considering the local need and keeping the global perspective in mind, Science Senior College was established in 2001 by the VANASHREE Tatyasaheb Motilal Fakira Patil. The aim of this higher education institution is to provide quality education to youths of tribal and rural background. Considering the need of human resources in the Information Technology & Management, Institute of Management Research and Development (IMRD), Shahada has been established in 2008. IMRD runs the professional courses like Bachelor in computer application (BCA) and Master in Management Studies (MMS). IMRD, Shahada primarily serving for the students around the Nandurbar district who belongs to the economically weaker background. IMRD, Shahada is giving its great contribution in development of youths of tribal and rural background and so the development of nation.

The Gangotri Foundation, a prominent NGO in Shahada, is dedicated to making a significant impact in the fields of environment and education. With a noble vision to create a sustainable and ecologically balanced society, the foundation has been relentlessly working towards preserving the natural treasures of the region. Through various initiatives and projects, they have been actively involved in conserving and revitalizing the environment, promoting awareness about environmental issues, and fostering a sense of responsibility towards the planet. Additionally, the Gangotri Foundation takes immense pride in its education programs that aim to empower the underprivileged youth by providing them with quality education and necessary resources.

As both the parties are involved mainly in youth and nation development there is need of working them together.
