Respected Sir/Madam

Subject: To provide the Action Taken Report, Reports of the Audits, any other supporting documents.

Reference: Your query for 7.1.3

Respected Sir/Madam,

As per your query 7.1.3, we are hereby providing the Action Taken Report for various issues related to the environment, energy, and student awareness. Additionally, we are submitting the reports for the Green, Environment, and Energy Audits. Furthermore, we are enclosing program attendance records for beyond campus environmental promotional activities as supporting documents."

Disclaimer

The Audit Team has prepared this report for the **Shahada Taluka Educational Society & Co-Operative Educational Society Ltd. Institute of Management Research and Development** located at Shahada, Pincode – 425409, District Nandurbar, Maharashtra based on input data submitted by the Institute analysed by the team to the best of their abilities.

The details have been consolidated and thoroughly studied as per the various guidelines for Green Buildings available in National and International Standards; the report has been generated based on comparative analysis of the existing facilities and the prerequisites formulated by various standards. The inputs derived are a result of the inspection and research. These will further enhance and develop a Healthy and Sustainable Institution.

These can be implemented phase wise or as a whole depending on the decision taken by the Hon'ble Management and Institute. The warranty or undertaking, expressed or implied is made and no responsibility is accepted by Audit Team in this report or for any direct or consequential loss arising from any use of the information, statements or forecasts in the report.

The audit is a thorough study based on the inspection and investigation of data collected over a period of time and should not be used for any legal action. This is the property of Greenvio Solutions and should not be copied or regenerated in any form.

Introduction

About the statements of the Institute

The Institute intends "To provide high-quality higher education to students from rural and tribal communities, with a focus on helping them gain a global perspective in the fields of information technology and management. The institute aims for value-based education for the holistic development of students."

About the Energy audit

The following documentation is based on the consumption practice of the premises on a regular working day.

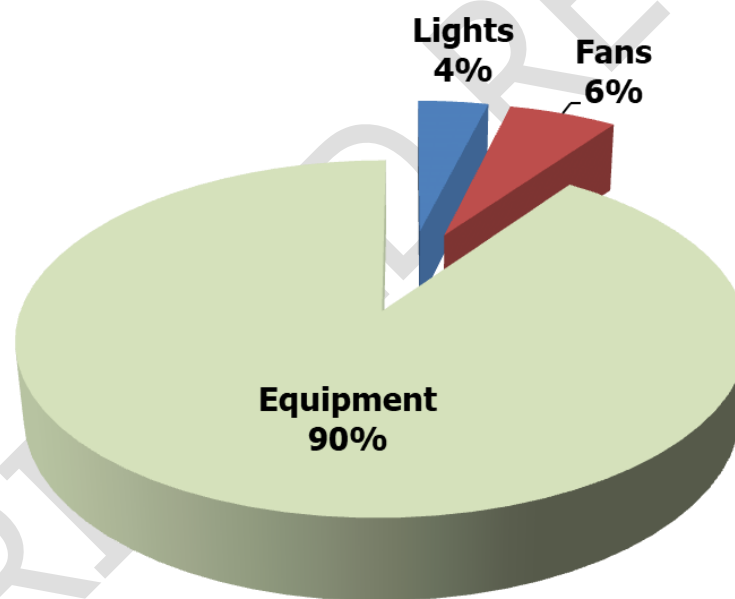

Figure 1: Summary of the calculated electrical consumption as per inventory

The above graph shows that equipment consumes 90% whereas the fans consume 6% while the lights consume 4% of the total calculated electrical energy.
