

Best Practices

Best Practice-1

1. Title of the Practice- Empowering Students through Financial Assistance and Support

2. Objectives of the Practice-

- To provide financial assistance to economically weaker students at IMRD Shahada, enabling them to pursue higher education without financial burden.
- To support and guide students throughout their academic journey, helping them achieve their goals and succeed in the fields of computer application and management.
- To support and guide students through counseling, helping them overcome challenges, set clear goals, and achieve academic and personal success.

3. The Context

IMRD Shahada recognizes the financial challenges faced by students from economically weaker sections who aspire to continue their education and improve their prospects. To address this issue and promote student success, IMRD Shahada has run a comprehensive scheme in collaboration with Kavayitri Bahinabai Chaudhari North Maharashtra University (KBCNMU), Jalgaon that provides financial assistance and work-study opportunities through the "Earn and Learn" program. Additionally, a dedicated counseling committee is in place to provide guidance and support to students, ensuring they receive the necessary help to achieve their academic and personal goals.

4. The Practice

IMRD Shahada, in collaboration with KBCNMU, Jalgaon, implements a comprehensive program to provide financial assistance and support to students from economically weaker backgrounds and Earn and Learn Scheme. Eligible students are identified through a selection process that considers their financial need and academic merit. Upon enrollment in the scheme, chosen students receive financial aid to cover educational expenses and some are offered part-time work placements under Earn and Learn Scheme

within the institution. Throughout their academic journey, students benefit from mentorship and guidance to strike a balance between academic commitments and work responsibilities. The program's success is continually monitored through regularly and assessments, ensuring the students' overall well-being and academic progress. This initiative aims to empower students by financial support, and enhance their employability, thus promoting socio-economic empowerment and success for deserving students.

5. Evidence of Success

Over the consecutive years from 2018 to 2023, the Earn and Learn Scheme and the economically weaker student's scheme have been active in enhancing students' financial support. In 2018-19, 4 number of students received 12000/- Rs of financial assistance, and this support increased in 2019-2020, with 4 number of students benefiting from 14000/- Rs of financial assistance. In the following years, the trend continued with 4 number of students receiving 23000/- Rs of financial assistance in 2021-22 and 4 number of students benefited from 23720/- Rs of financial assistance in 2022-23. This consistent support has successfully made for economically weaker students more financially enhanced ensuring their academic and career success.

6. Problems Encountered and Resources Required

The success of the Earn and Learn Scheme in supporting economically weaker students relies on securing adequate and sustainable funding to provide financial assistance and work placements. Sufficient financial resources are essential to cater to the needs of deserving students, fostering their academic and career success. Additionally, addressing the work-study balance for participating students under learn and earn scheme necessitates effective time management and mentorship. Establishing fair and transparent student selection criteria poses challenges but is crucial for equitable support. Trained mentors, support staff, administrative personnel, and program coordinators play pivotal roles in guiding students and ensuring smooth program operations.

Best Practice-2

1. Title of the Practice- "Inspire, Innovate, Succeed: IMRD Shahada's Entrepreneurship Lecture Series"

2. Objectives of the Practice-

- To foster an entrepreneurial spirit among students and encourage them to explore innovative business ideas.
- To provide guidance and mentorship to support students in establishing their own businesses.
- To offer career guidance and counseling, helping students make informed decisions about their future endeavors.
- To equip students with essential entrepreneurial skills and knowledge through the organization of Lecture on Entrepreneurship.

3. The Context –

IMRD, Shahada is committed to nurturing a culture of entrepreneurship and career development among its students. To achieve this, the institution has organized a series of programs, including Lecture on Entrepreneurship and two days of career guidance workshops, over the years 2018-2019 to 2022-2023. These initiatives aim to equip students with essential skills and knowledge, enabling them to pursue their entrepreneurial dreams and make informed career choices. The practice aims to provide students with the necessary resources, mentorship, and knowledge required to establish their ventures and achieve their entrepreneurial goals.

4. The Practice

IMRD Shahada, a forward-thinking educational institution, has been committed to nurturing the entrepreneurial spirit and career development among its students. Over the

years, the institution has organized a series of impactful programs aimed at empowering students to pursue their entrepreneurial aspirations and make informed career choices.

Lecture on Entrepreneurship Program: The Lecture on Entrepreneurship program invites experts as guest speakers. They share their personal experiences, challenges, and strategies for success in the entrepreneurial world. Interactive sessions allow students to engage with the speakers, ask questions, and gain practical knowledge.

Two-Day Workshop on Career Guidance: The two-day workshop on career guidance brings in career counselors to guide students on various career opportunities and pathways. The workshop includes discussions and personalized counseling sessions to help students make informed decisions about their future careers.

5. Evidence of Success

The Lecture on Entrepreneurship program organized by IMRD Shahada has shown evidence of success through its increasing participation, with 42 participants in 2018-2019, 70 participants in the 2019-2020 career guidance workshop, 45 participants in 2021-2022, and 52 participants in 2022-2023. The program's popularity and positive impact are further supported by positive feedback orally from attendees, speakers, and stakeholders. Moreover, the program's effectiveness is reflected in the number of students who have successfully established entrepreneurial ventures after attending the lectures and workshops.

6. Problems Encountered and Resources Required

Organizing and sustaining entrepreneurship programs like the Lecture on Entrepreneurship and career guidance workshops at IMRD Shahada may face several challenges. Major obstacle is limited resources, financial and logistical, required to host such events. Securing adequate funding and administrative support is crucial for the successful implementation of these initiatives. Trained mentors play a pivotal role in guiding and supporting students on their entrepreneurial and career paths, providing

personalized guidance and encouragement. Additionally, sustaining long-term interest and engagement in entrepreneurship among students can be challenging due to varying academic and personal priorities. To address this, consistent efforts are needed to foster a culture of entrepreneurship within the institution, emphasizing the benefits and opportunities it offers. Moreover, external challenges, such as economic conditions and market dynamics, can impact students' enthusiasm for entrepreneurship, making it essential to adapt programs to current trends and needs.
